**DEFENDANTS’ REQUEST FOR
 EXTENSION OF TIME TO FILE
 REPORT ON LESSONS LEARNED
 DURING COVID-19**

23 On March 29, 2021, after discussion during the March 25, 2021 status conference, the
 24 Court ordered Defendants to file “a report on lessons learned from management of mental health
 25 care during the COVID-19 pandemic, including the use of telehealth, decreased movement and
 26 continuity of care[.]” (ECF No. 7112.) The deadline for filing this report is currently May 13,
 27 2021. (*Id.*)

1 Since that order, Defendants have worked diligently to draft a comprehensive and
2 accessible report setting forth the requested information, engaging dozens of staff who are in the
3 process of gathering, analyzing, and cogently presenting over a year's worth of data and
4 observations. With the deadline rapidly approaching, however, it has proven to be that the report
5 is taking longer than anticipated, and Defendants believe that all parties would benefit from
6 additional revision and refinement of the presentation of this report. On this basis, Defendants
7 request an additional thirty days to complete the report as ordered by the Court.
