Data as of date of request, 1/22/24. For additional information, please visit: <https://www.sdsheriff.gov/resources/transparency-reports>

Source: SDSA. Data may differ slightly from the Department of Justice (DOJ) and/or the San Diego County Medical Examiner (ME) records due to data reconciliation, delays in reporting, open case status, missing information, and/or record sealing.

This is not an official record for cause of death and contributing factor data. For official cause of death and other autopsy information, please contact the San Diego County Medical Examiner's Office.

For additional information on deaths in custody reported to the California Department of Justice: <https://openjustice.doj.ca.gov/data>

Cases that are Pending Investigation are included, but have limited information available until the autopsy is finalized by the Medical Examiner's Office.
