On April 17, 2020, the Court ordered the parties to file a stipulation identifying "temporary departures from certain Program Guide requirements" for the provision of mental health care arising from Defendants' efforts to respond to the COVID-19 pandemic. ECF No. 6622 at 2-3 (Apr. 17, 2020). On May 20, 2020, the parties submitted a stipulation and proposed order as the Court directed. *See* ECF No. 6679 (May 20, 2020). That stipulation set forth a process whereby the parties, on a monthly basis, would meet and confer, under the supervision of the Special Master, and report to the Court on updated changes to the stipulation and its attachment, Appendix A. *See id.* at 4-5.

Pursuant to the May 20 stipulation, the parties hereby submit the attached updated version of Appendix A, which captures as of the date of this filing the status of COVID-19-related departures from requirements set forth in the Program Guide and/or policies listed in the "Compendium of Custody Related Measures," *see* ECF No. 6661 at 2, jointly filed by the parties on December 19, 2019 (ECF No. 6431) ("Compendium policies").

- 1. The chart attached hereto as **Appendix A** identifies a further seven temporary policies and procedures implemented due to the COVID-19 pandemic that permit or effectuate departures from Program Guide requirements for mental health care, as well as three additional placeholders for policies pending review in the task force. The chart also identifies several Compendium policies impacted by COVID-19.
- 2. In their May 20, 2020, stipulation, Defendants agreed to provide certain reports to the Special Master and Plaintiffs. *See* ECF No. 6679 at 3-5, ¶ 2. Defendants began producing reports the week of May 25, 2020. Redacted copies of those reports are appended hereto:
 - (a) Tier Report, May 18 May 22, 2020, May 26 May 29, 2020, and June 1 June 5, 2020, **Exhibit 1**;
 - (b) Temporary Mental Health Unit (TMHU) and Treat In Place List, May 22, 2020, May 29, 2020, and June 8, 2020, **Exhibit 2**;
 - (c) Shower and Yard in Segregation Compliance Report for May 2020,Exhibit 3;

- (d) TMHU 114-A Tracking Log Report for May 2020, **Exhibit 4**. This report also integrates the report on the custody reviews of Max Custody patients referred to a TMHU. *See* ECF No. 6679 at 3-4, ¶ 2(c); and
- (e) On Demand TMHU Patient Registry, currently in beta testing and not yet fully validated, accessed June 15, 2020, **Exhibit 5**.

The parties have agreed upon the form of the Tier Reports, ECF No. 6679 at 3, ¶ 2(a), and continue to meet and confer to discuss and refine the remaining reports. The parties discussed potential modifications to the TMHU and Treat in Place List, id. at 3, ¶ 2(b), and the On Demand TMHU Patient Registry, which is currently in beta format and not yet fully validated while it continues to be refined, id. at 5, ¶ 2(f)(i). The parties have also agreed to discuss the Shower and Yard in Segregation Compliance Report, id. at 4, ¶ 2(d), and the TMHU 114-A Tracking Log Report, id. at 3-4, ¶¶ 2(c), (e), at upcoming meet and confers.

Defendants continue to develop the COVID-19 Mental Health Dashboard, *id.* at 5, ¶ (f)(ii), in consultation with the Special Master. The parties discussed the Dashboard during their June 9, 2020, COVID Taskforce meeting, and Plaintiffs requested additional information on the proposed metrics and related business rules, which Defendants agreed to provide for further discussion. Defendants also committed to providing a webinar demonstration of the new software in the coming weeks. As the software is not yet complete, a point-in-time snapshot is not available.

3. On May 20, 2020, the parties reported that they were still negotiating the data Defendants can provide regarding the average number of hours of out-of-cell treatment, including yard and recreation time, offered per week, as well as the status of available entertainment devices and other in-cell activities for all class members in mental health segregation units. In meet and confer discussions, Defendants reported that they do not have the capability to report on this information because none of this data is currently automated and they lack a single source of tracking information that could be used to

2	automated tracking report, their typical practice is to regularly audit many of these items		
3	via on-site audits by Mental Health Regional Administrators, but on-site audits are paused		
4	due to the COVID-19 pandemic. Defe	endants anticipate that the on-site audits will soon	
5	resume, although monthly audits of ea	ach prison are unlikely to occur and there is no	
6	timeframe for resumption. Plaintiffs i	remain concerned about Defendants' inability to	
7	effectively track and report on these re	equirements at the headquarters level, and about	
8	Defendants' reliance on on-site audits	as a general matter given Plaintiffs' concerns about	
9	the PSU and EOP ASU hub certificati	on process. The parties nonetheless agree to	
10	continue to meet and confer about the	se issues under the supervision of the Special Master.
